

# Carmen - Friends With Benefits

Tom: **D**

Lay down on the grass

And play that song we had

On that playlist

You know just what you did to me

**D**

You know that we should never fight again

**D**

Do things on your own

And tell me, ain't it fun?

Are you feeling sinister now?

You know just what you did to me

**D**

You know that we should never fuck again

And baby

It's happened once again

You stay with your lovers, I stay with my friends

Well, I don't like one-night stands

Look for me when you're done

**D**

Focus objectives

You're always optimistic

So, what is this noise about?

You know just what you did to me

**D**

You know that we should never meet again

And baby (oh fuck)

It's happened once again

You stay with your lovers, I stay with my friends

Well, I don't like one-night stands

Look for me when you're done

**D**

Whoa, oh oh

Whoa, oh oh

Whoa, oh oh

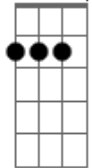

It gets down, down, down... oh oh oh

Whoa, oh oh

Whoa oh oh oh
