Tom: G

G D7 Em G C  
Just look at you sitting there  
G C G  
You never looked better than tonight  
D7 Em G C  
And it'd be so easy to tell you I'd stay  
Am C D7  
Like I've done so many times  
G D7 Em D7 C  
I was so sure this would be the night  
Am C D7 G  
You'd close the door and want to stay with me  
D7 Em D7 C  
And it'd be so easy to tell you I'd stay  
Am C D7  
Like I've done so many times  
C D7  
Don't fall in love with a dreamer  
Bm Em  
Because he'll always take you in  
Am C D7

Just when you think you've really changed him  
G Bm  
He'll leave you again  
G C D7  
Don't fall in love with a dreamer  
G Bm Em G  
Because he'll break you every time  
C D7 G  
So put out the light and just hold on  
C D7 G  
Before we say goodbye  
D7 Em  
Now it's morning and the phone rings  
D7 C  
And ya say you gotta get your things together  
G D7 G  
You just gotta leave before you change your mind  
D7 Em D7 C  
And if you knew what I was thinking girl I'd turn around  
G Am C Em D7  
If you'd just ask me one more time  
D7 G  
Before we say goodbye
