 You've been on my mind for a while now  
 Tryna get you off 'cause this ain't right now  
 Abm  
 You said it was a vibe for the time being  
 It was nothing more but I just couldn't see it  
 Dbm  
 This is not a song for the whole world  
 Felt like it could've been us against the whole world  
 Abm  
 Maybe you were mine and I was your girl  
 Whatever happened to the time that we spent

Dbm  
 Sober... I take back what I said  
 B  
 I'm sittin' with this love hangover  
 And boy it's hurtin' my head

Dbm  
 It's the middle of october  
 And we just came to an end

B  
 I'm just sorry that there ain't no time left

Dbm  
 You and I we're over  
 Me and you are done

B  
 When I wanted to be closer  
 You just wanted to run

Dbm  
 Though I know it's no ones fault  
 If I've learned anything at all

B  
 With us, no matter how I add it up  
 One plus one is none  
 (B)

Dbm  
 I've been at this party for some time now  
 Sippin' on bacardi 'til it runs out

Abm  
 You are in the corner with your head down  
 I don't even wanna know what that's about

Dbm  
 'Cause you're the one that's always gettin' too wasted  
 And I'm the one that's never that intoxicated

Abm  
 Tonight I'm in my feelings, oh I'm faded  
 But I don't wanna think about the complicated

Dbm B  
 Oh your love got me feeling like I can't

Dbm  
 Get up, wishing for it but it never lasts

B  
 I thought we'd be together  
 Oh it ended so fast

Dbm  
 Parapapa Parapa Parapapa Parapa  
 B  
 Parapapa Parapa Parapapa Paratha
