

# Carol Biazin - Treacherous

Tom: **Db**

(forma dos acordes no tom de **G** )  
Capostraste na 6ª casa

Put your lips close to mine **G D**  
As long as they don't touch **Em C**  
Out of focus, eye to eye **G D**  
Till the gravity's too much **Em C**  
And I'll do anything you say **G D**  
If you say it with your hands **Em C**  
And I'd be smart to walk away **G D**  
But you're quicksand **Em C**  
This slope is treacherous **G D**  
This path is reckless **Em C**  
This slope is treacherous **G D**  
And I, I, I like it **Em C**

( **G D Em C** )

I can't decide if it's a choice **G D**  
Getting swept away **Em C**  
I hear the sound of my own voice **G D**  
**Em C**

Asking you to stay  
**G D**  
And all we are is skin and bone  
**Em C**  
Trained to get along  
**G D**  
Forever going with the flow  
**Em C**  
But you're friction  
**G D**  
This slope is treacherous  
**Em C**  
This path is reckless  
**G D**  
This slope is treacherous  
**Em C**  
And I, I, I like it

**Am Em**  
Two headlights shine through the sleepless night  
**G**  
And I will get you, and get you alone  
**Am Em**  
Your name has echoed through my mind  
**G**  
And I just think you should, think you should know  
**Am Em**  
That nothing safe is worth the drive and I would  
**D**  
Follow you, follow you home  
**C**  
I'll follow you, follow you home  
**G D**  
This hope is treacherous  
**Em C**  
This daydream is dangerous  
**G D**  
This hope is treacherous  
**Em C**  
Ihh Ihh
