

Carol Brandino - Salmo 44

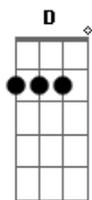

tom:

Escutai, minha filha, olhai, ouvi isto
 Que o rei se encante com vossa beleza!
 Escutai, minha filha, olhai, ouvi isto
 Que o rei se encante com vossa beleza!
 Escutai, minha filha, olhai, ouvi isto
 ?Esqueci vosso povo e a casa paterna!
 Que o Rei se encante com vossa beleza!

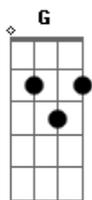

Prestai-lhe homenagem: é vosso Senhor!

0 povo de tiro vos traz seus presentes
 Os grandes do povo vos pedem favores
 Majestosa, a princesa real vem chegando
 Vestida de ricos brocados de ouro
 Em vestes vistosas ao rei se dirige
 E as virgens amigas lhe formam cortejo
 Entre cantos de festa e com grande alegria
 Ingressam, então, no palácio real?
