

# Carol Cunha - Chove Saudade Em Mim

Tom: C

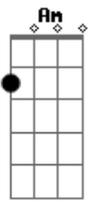

Chega aqui fica perto  
 Chega junto fica em mim  
 Chega aqui fica perto  
 Chega junto cuida de mim  
  
 Deixa eu te olhar  
 Deixa eu te amar  
  
 Quero ficar contigo  
 Você e eu, Só a lua de plateia  
 Chove saudade em mim

Meu corpo sente a sua chama  
 Sinto um calor subir  
 Você já mora em mim  
 Aumenta o meu tormento é quando eu deito  
 Saudade sem poder te abraçar  
 Me Abraço à timidez e tenho medo  
 De te perder sem poder me declarar  
  
 Queria te dizer te amo, banal, mas tão difícil para mim  
 Quero te entregar a minha vida  
 Porque sozinha tá sem graça pra seguir
