[Primeira Parte]

You were looking out the window
G D E G
Hoping you would disappear
G D E G
You were singing to yourself

"Mhm... mhm"
G D E G
You were looking out the window
G D E G
You were singing to yourself
G D E G
And the tears came pouring down
G D E G
From those sad eyes

[Refrão]

Until I heard you sing the song
G D E G
And yeah, I heard you, so I sang along
G D E G
Until I heard you, no one knew
G D
You were invisible, imaginary

To everyone but me

Then one day, I gathered up
G D E G
The courage to come over and sing
G D E G

You were looking out the window

Nobody heard you, except for

The birds and the butterflies

Then a wind came a-blowing around
G D E G
And an echo, it swallowed your song
G D E G
And sent it over the rolling fields to my house
G D E G
Then I knew it was over when you figured me out
G D E G
"Ba-ba, ba-ba, la-la-la"
G D E G
"Ba-da, ba-ba, ba-ba, la-la-la"
