

Carole King - Beautiful

Tom:
[Refrão]

Bm You've got to get up every morning
Em With a smile on your face
D And show the world all the love in your heart
Bm Then people gonna treat you better
D You're gonna find, yes, you will
D7 That you're beautiful as you feel

[Verso 1]

Bm Waiting at the station with a workday wind a-blowing
Em I've got nothing to do but watch the passers-by
Bm Mirrored in their faces I see frustration growing
Em And they don't see it showing, why do I?

[Refrão]

Bm You've got to get up every morning
Em With a smile on your face

D And show the world all the love in your heart
Bm Then people gonna treat you better
D You're gonna find, yes, you will
D7 That you're beautiful as you feel

[Verso 2]

Bm I have often asked myself the reason for sadness
Em In a world where tears are just a lullaby
Bm If there's any answer, maybe love can end the madness
Em Maybe not, oh, but we can only try

[Refrão]

Bm You've got to get up every morning
Em With a smile on your face
D And show the world all the love in your heart
Bm Then people gonna treat you better
D You're gonna find, yes, you will
D7 That you're beautiful as you feel
