

Carole King - You've got a friend

tom:

A

Fm Fm C7 Fm C7

When you're down and troubled and you need some lovin' care
And nothing, nothing is going right
Close your eyes and think of me and soon I will be there
To brighten up even your darkest night

Ab Ab7 Db

You just call out my name, and you know, wherever I am
I come running to see you again
Winter spring summer or fall, all you've got to do is call
And I'll be there, yeah, yeah, yeah

Ab

You've got a friend

Fm C7 Fm C7

If the sky above you shold grow dark and full of clouds
And that old north wind shold begins to blow
Keep your head together, and call my name out loud
Soon you'll hear me knockin' at your door

[Refrão]

Gb Db

Now ain't it good to know that you've got a friend
When people can be so cold
They'll hurt you, and desert you and take your soul if you let them
Oh yeah, But don't you let them
