

# Caroline Harrison - Find Your Own Way

tom:

**D**  
So many times

**D**  
I've lain here awake with you

**C**  
Wishing for words

**D**  
I know you won't pray

**D**  
Constantly searching

**C**  
For meaning in everything

**G**  
Just to be in love

**D** **A**  
Is the start and the end for me

**C** **G** **A**  
I keep waiting here for you

**C**  
Can't stop trying

**G** **A**  
Time will pass you by

**C**  
Keep on searching

**G** **A**  
Find your own way now

**C**  
Your own way now

**D**  
I sit here alone

**C**  
Longing to hear from you

**G**  
Those three words

**D**

I know you won't say

**D**  
What will it take

**C**  
I'm willing to wait this time

**G**  
Make up your mind

**D** **A**  
Before life runs away without love

**C** **G** **A**  
I keep waiting here for you

**C**  
Can't stop trying

**G** **A**  
Time will pass you by

**C**  
Keep on searching

**G** **A**  
Find your own way now

**C**  
Your own way now

**C** **A**  
Hold me now

**C** **A** **B**  
Hold me now

**D**  
Can't stop trying

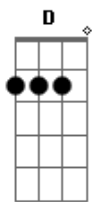

**A** **B**  
Time will pass you by

**D**  
Keep on searching

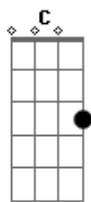

**A** **B**  
Find your own way now

**D** **E**  
Your own way now
