

# Caroline Polachek - Sunset

tom:

Intro: **D**

[Primeira Parte]

These days I wear my body like an uninvited guest **Bm Em**  
I turn it right, and right, and right, instead of turning left **G A**  
But boy, your patience is a magic kind of medicine **Bm Em**  
'Cause every spiral brings me back into your arms again **Em A**

[Refrão]

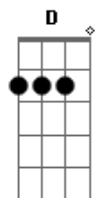

So no regrets, 'cause you're my sunset **Bm Em**  
Fiery red, forever fearless **G A**  
And in your arms a warm horizon **Bm Em**  
Don't look back, let's ride away, let's ride away (Hey!) **G A Bm Em G A**

[Segunda Parte]

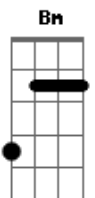

So many stories we were told about a safety net (Hey!) **Bm Em**  
But when I look for it, it's just a hand that's holding mine **G A**  
I'm wearing black to mourn the sudden loss of innocence **Bm Em**  
And that's alright because it hides the dirt and hides the wine **G A**

[Refrão]
