

Carpe - Novela Mexicana

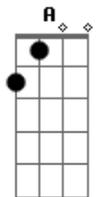

Tom: G
Intro: Bm7 A G7 A

Bm7
O tempo passa, o mundo gira
E nunca iremos parar de sonhar
Quando criança Eu queria ser ator de novela mexicana

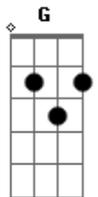

Bm7
Daquela cena que começa num abraço
Depois não para de beijar
Com aquela morena bela latina
Sentada na areia esperando a serenata

Eu começo a tocar
Para o meu amor
Venha para areia e me abrace por favor
Eu começo a cantar
Para o meu amor
Saia dessa água e me beije por favor
U00oooo U00oooo
Deixa eu mergulhar no teu corpo (Minha Sereia)
Deixa eu me afogar no teu mar (Vou te amar)
Vem com água apagar o meu fogo
Inundar minha ilha
