

## The Carpenters - A Song For You

```
Tom: G
 Dhm
                         Ab7
I've been so many places in my life and time
                        A#m-5
I've sung a lot of songs I've made some bad rhyme
                          Ahm
I've acted out my life in stages
     Gbm
With ten thousand people watching
Gbm Abm
                                                       Ab7
But we're alone now and I'm singing this song for you
I know your image of me is what I hope to be
                     Bbm
I treated you unkindly but darlin' can't you see
There's no one more important to me
Baby, can't you please see through me
Gbm
                Abm
Cause we're alone now and I'm singing this song for you
                     Ab7
You taught me precious secrets of the truth withholding
                 В
You came out in front and I was hiding
```

```
But now I'm so much better and if my words don't come together
                         Gbm
            Abm
Listen to the melody cause my love's in there hiding
                    Ab7
I love you in a place where there's no space or time
                       A#m-5
I love you for in my life you are a friend of mine
               Abm
And when my life is over
 Gbm
Remember when we were together
Gbm Abm
                                                 Ah7
We were alone and I was singing this song for you
                 Ab7
You taught me precious secrets of the truth withholding
nothing
You came out in front and I was hiding
               Ab7
But now I'm so much better and if my words don't come together
           Abm
                         Gbm
                                            В7
Listen to the melody cause my love's in there hiding
Gbm Abm
We were alone and I was singing this song for you
           Abm
Db7 E
We were alone and I was singing this song, singing this song
