

# The Carpenters - End of the World

Tom: **A**

**A** **E**  
why does the sun go on shining  
**Gbm** **Dbm**  
Why does the sea rush to shore  
**Bm** **Dbm**  
do they know its the end of the world?  
**Bm** **E**  
'cause you don't love me anymore

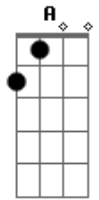

**A** **E**  
Why do the birds go on singing  
**Gbm** **Dbm**  
Why do the stars glow above  
**Bm** **Dbm**  
do they know its the end of the world?  
**Bm** **E**

It ended when I lost your love

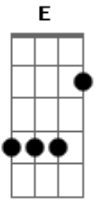

**D** **A**  
I wake up in the morning and I wonder  
**Bm** **E** **A**  
Why everything is the same as it was?  
**Dbm** **Gbm**  
I can't understand no I can't understand  
**Bm** **E**  
How life goes on the way it does

**A** **E**  
Why do my heart go on beating  
**Gbm** **Dbm**  
Why do these eyes of mine cry  
**Bm** **Dbm**  
Do they know its the end of the world?  
**Bm** **E**  
It ended when you said good-bye!
