

The Carpenters - Kiss Me The Way You Did Last Night

Tom: **C**

Intro: **C G C F F**

C **D** **F**
Serenade me by the light of the moon,

C
Let's sing and dance as lovers do

G **F**
When the morning light shines down on me

G7 **C**
With you, my love I want to be

With you, my love I want to be

As the stars go sailin' by

G **Am**
We can count them you and I

Dm **C**
We can make a wish when one falls from the sky

We can make a wish when one falls from the sky

And my only wish would be

Am **D7**
That forever I would see

That forever I would see

You movin' thru the darkness smiling that way at me

F **Em**
Kiss me the way you did last, night

G7 **C**

Lay down beside me, holdin' me tight

F **Em**

Kiss me the way you did last night,

C **D C D**

Tonight until the morning light

C **D**

Celebrate love while the feeling is new

C **C**

It's a moment that was meant for me and you

D **F**

If tomorrow never comes I won't care,

F **C**

I'll just love you tonight and all we share...

Repeat

C **Eb**

Tonight, tonight and every night

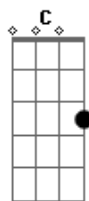

(Kiss me)

C **C** **C** **D Em D Adim7 Eb Ab Eb D7 C7 F G7 G**

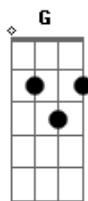

The way you did last night

Repeat
