Looking at you
I'm almost home again
Something in you
Puts me at ease
Yes, i know that you're
       Bm
Suspicious of me
   E
Do i mean the things i say?
You know i've been in love before
   Ab A
That much is true
But though i've been in love before
E7 A A
It wasn't with you
   Dm
ooh, sandy
Could we spend the day together?
     Dm
You know how rainy weather
Gets me down when i'm alone
A Dm
```

```
You, sandy
You gotta be a friend today
        Bb
An hour with you would
                            G Am F7 Bm E
Chase the winter away
Being with you
I'm like a child again
Your eyes can see
Clearer than mine
      Gb
No one ever made me quite so aware
      E7
No one ever took the time
The time it took surprises me
Nothing's the same
As if my life began again
Hearing your name
Repete
An hour with you would
                               \mathsf{C} \; \mathsf{D} \; \mathsf{C} \; \mathsf{D} \; \mathsf{C} \; \mathsf{D}
Chase the winter away
```
