

# Carrie Underwood - Angels Brought Me Here

Tom: **Gb**

(com acordes na forma de **E** )  
Capo na 2ª casa  
(capo 2ª casa)

It's been a long and winding journey

But I'm finally here tonight

Picking up the pieces

Walking back into the light

To the sunset of your glory

Where my heart and future lies

There's nothing like that feeling

When I look into your eyes

My dreams came true

When I found you

I found you

My miracle

(refrão)

If you could see what I see

You're the answer to my prayers

And if you could feel

The tenderness I feel

You would know

It would be clear

That angels brought me here

(bridge)

Brought Me here to be with you

I'll be forever grateful oh forever thankful

My dreams came true when I found you

My miracle

(refrão)

If you could see what I see

You're the answer to my prayers

And if you could feel

The tenderness I feel

You would know

It would be clear

That angels brought me here

And if you could feel

The tenderness I feel

You would know

It would be clear

That angels brought me here
