**G**  
That first cold September night  
**C**  
You were the blanket holding me tight  
**G**  
You were kissing me and the years stood still  
**C**  
You said we don't have to I said I will, yeah  
**G**  
We ran in when the thunder came  
**C**  
You told me sugar melts in the rain  
**G**  
Don't want to watch our love go to waste  
**C**  
So we ran inside before it was too late  
**G**  
Oh I, Oh I'm not trying  
**G C**  
Oh I, Oh I, but I can't stop smiling, yeah. **Em**

**C**  
Do you think about me  
**Em**  
Like I think about you  
**C**  
Do you think about me  
**G**  
Like I think about you.

**G**  
I moved on to another town  
**C**  
Wrote you letters till the ink ran out  
**G**  
When the clouds rolled in, I grabbed the keys  
**C**  
And played that song that we used to sing  
**G**  
I met a boy a lot like you  
**C**  
It's funny how he used to sing it too  
**G**  
But he always just a little out of key  
**C**

So much different than you and me  
**G** **C**  
Oh I, Oh I'm not even trying  
**G** **C** **Em**  
Oh I, Oh I but I can't stop smiling, yeah.

**C**  
Do you think about me  
**Em**  
Like I think about you

Like I think about you,  
**C G C**  
Oh, yeah.

**C**  
Sometimes I wonder if you wonder  
**Em**  
What it could have been like  
**G**  
When you're sitting there drinking coffee  
**Em**  
Are you thinking of me  
**C**  
When it's thundering and raining outside  
**G** **C**  
Oh I, oh I'm not even trying  
**G** **C**  
Oh I, oh I but I can't stop smiling  
**G** **C**  
Oh I, oh I, it's sendin me flyin
