18 years have come and gone

For momma they flew by

But for me they just drug on and on

              D
We were loading up that Chevy

         A
Both tryin' not to cry

    E
Momma kept on talking

   G
Putting off good-bye

                E   A
Then she took my hand and said

         E   D - G
Baby don't forget

 G
Before you hit the highway

       D
You better stop for gas

             E
There's a 50 in ashtray

           D
In case you run short on cash

             G
Here's a map and here's a bible

          E   D   G
If you ever loose your way

        E   D   G
Just one more thing before you leave

            E   A   D
Don't forget to remember me
        D   A
This downtown apartment sure makes me miss home

                E
and those bills there on the counter

          G
are telling me I'm on my own

        D   A
And just like every Sunday I called momma up last night

          E   G
And even when it's not, I tell her everything's alright

            E   A
Before we hung up I said

                     E   D - G
Hey momma, don't forget

     G   D
to tell my baby sister I'll see her in the fall

              E
And tell mema that I miss her
           D
Yeah, I should give her a call

       G   E
D   G
And make sure you tell Daddy that I'm still his little girl

            E   D
G
Yeah I still feel like I'm where I'm supposed to be

              E   A   D
Don't forget to remember me

G   D
Tonight I find myself kneeling by the bed to pray

                  E
I haven't done this in a while

                  E
So I don't know what to say but

 D   E   G   D
E
Lord I feel so small some times in this big ol' place

     E   D   G
I know there are more important things, but
