

# Carrie Underwood - Wasted

Tom: **Ab**

**Ab**  
Standing at the back door

**Ab**  
She tried to make it fast

**Fm**  
One tear hit the hard wood

**Fm**  
It felt like broken glass

**Db**  
She said sometimes love slips away

**Eb**  
And you just can't get it back

**Ab**  
Let's face it

**Ab**  
For one split second

**Ab**  
She almost turned around

**Fm**  
But that would be like pouring rain drops

**Fm**  
Back into a cloud

**Db**  
So she took another step and said

**Eb**  
I see the way out and I'm gonna' take it

**Ab**  
I don't wanna' spend my life jaded

**Ab** **Fm**  
Waiting to wake up one day and find

**Db**  
That I've let all these years go by

**Ab**  
Wasted

**Ab**  
Another glass of whisky and it still don't kill the pain

**Fm** **Fm**  
So he stumbles to the sink and pours it down the drain

**Db** **Em**  
He says it's time to be a man and stop living for yesterday

**Ab**  
gotta Face it.

**Ab**  
I don't wanna' spend my life jaded

**Ab** **Fm**  
Waiting to wake up one day and find

**Db**  
That I've let all these years go by

**Ab**  
Wasted

**Ab** **Fm**  
Oh I don't wanna' keep on wishing, missing

**Fm** **Fm**  
the still of the morning' the color of the night

**Db** **Eb**  
I ain't spending no more time

**Ab**  
Wasted

**Fm**  
She kept drivin' along

**Db**  
Till the moon and the sun were floating side-by-side

**Fm**  
He looked in the mirror and his eyes were clear

**Fm** **Eb** **Db**  
For the first time in a while

**Ab**  
Hey, yeah,

**Ab**  
I don't wanna' spend my life jaded

**Ab** **Fm**  
Waiting to wake up one day and find

**Db**  
That I've let all these years go by

**Ab**  
Wasted

**Ab** **Fm**  
I don't wanna' spend my life jaded

**Ab** **Fm**  
Waiting to wake up one day and find

**Db** **Eb**  
That I've let all these years go by

**Ab**  
Wasted
