```
      Em                         G          C
 I tried to find you at the bottom of a bottle
Em                  G          C
 Laying down on the bathroom floor
      Em              G              C
 My loneliness was a rattle in the windows
              Em              G  C
 You say you don't want me anymore

 And you left me

 Standing on the corner crying
                               G
 Feeling like a fool for trying

 I don't even remember why

 I'm wasting all these tears on you
                                 C
 I wish I could erase all memory
                               G
 'Cause you didn't give a damn about me

 And finally I'm through
