

# Cássio Gava - Ela

tom:

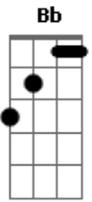

Que mulher!  
 Essa espinga que nasce da minha voz  
 Esse sonho que cresce da minha mão  
 Canção de carne pedra e vento  
 E foram sécu- los de areia  
 E com pétalas do abismo  
 E os perfumes do trigo  
 Faça essa mulher

Que mulher!  
 Não tem fim e ainda assim vou retocar  
 Não tem fim e ainda assim vou detalhar  
 Canção de sangue pedra e mundo  
 E entalho fundo uma veia  
 E com labi- rintos da Espanha  
 E Ori- entes do Éden

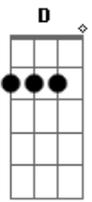

Sonho essa mulher

Ousaria lembrar  
 Ela a que cantará?  
 Haveria de nos lembrar que estivemos lá?  
 Que mulher!  
 Não tem fim e ainda assim ai dói-me luz  
 Não tem fim e ainda assim ói dou-lhe voz  
 Canção de sonho pedra e tempo  
 E continuo eia! eia!  
 Com a joia em fogo dos mares  
 E as abelhas da ilha  
 Canto essa mulher  
 Ousaria lembrar  
 Ela a que cantará?  
 Haveria de nos lembrar que estivemos lá?
