

Cássio Gava - Hora de Acordar

tom:

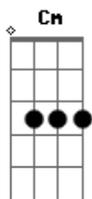

O galo quando canta
 Badala o seu gogó
 Imposta na garganta
 O seu cocorocó
 E todo dia eu ouço
 O galo na canção
 Seu relógio de bolso

Nos diz que horas são
 E fala pra todo mundo
 Que é hora de acordar!
 Pra olhar que a natureza tem
 Seu próprio jeito de andar
 Que nunca se muda um curso
 Que não se desvia o mar
 O galo em seu discurso diz
 Que é hora de acordar!
