

# Cássio Gava - O Dom

tom:

E  
E

O dom

Você tem

Eu não discuto

Desfruto, desfruto

O seu

Predomínio

É absoluto

É justo e é bom

Você chamou

Não reluto

Não penso

Não argumento

Não perco o meu tempo

Eu me contento

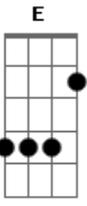

Se atendo

Ao seu denogo

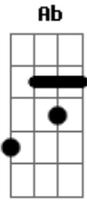

Andei

De São Paulo

A Pernambuco

Pra vê-la

De estrela

No sol

Derreti

Eu virei suco

Pra vê-la

Ferver

Pois você já é uma lenda

Tão linda

Sob encomenda

Nas ruas de Olinda

Fazendo o passo

Na ida e na vinda

Produzida e dando de dez

Com seus blocos fiéis

Ressuscita até o Fenelon

Possuída de decibéis

Da cabeça até os pés

Sua velocidade é a do som
