

# Cássio Gava - Toada

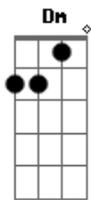

tom:

Quando a onda vem  
 e derrama o mar na areia  
 Quando a onda vem  
 e derrama o mar na areia  
 eu lembro teus olhos de mar  
 me acenando de lá  
 içando velas pra bem longe de mim  
 noite  
 tela escura  
 quero já velejar

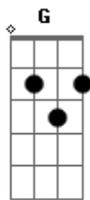

nave ver navegar

mas se você me aparecer  
 na lua cheia  
 se você me aparecer  
 na lua cheia  
 eu quero te ver chegar  
 azul como Iemanjá  
 trazendo manto e colar pra me cobrir  
 noite  
 tela escura  
 quero já velejar  
 nave ver navegar
