

Cassyyette - Dear Sister

tom:
C

Intro: C

[Primeira Parte]

Packing my bags
C
But I don't want to leave you alone, no, I won't be gone too long
It's been really hard
You lie about coping, but I know you're putting your life on?hold
[Pré-Refrão]

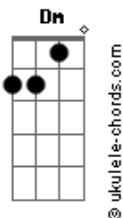

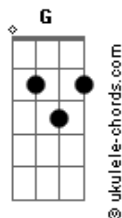

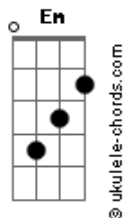

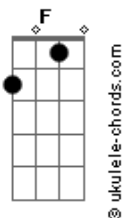

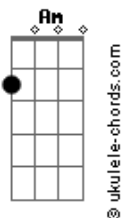

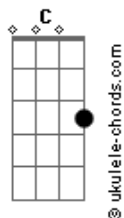

Am
I?would?take your pain,?so please just?ask me for help
C
I hate to think you're drowning in this all by yourself
F
I know you must be tired when there's nobody else
C
But I'm here
[Refrão 1]

C
Dark days, but you never let me feel it
F
You shoulder every heart that's bleeding
C
You-ooh-ou, you were made for this
F
You make the world better for a minute
[Segunda Parte]

C
You are the glue
F
But you're coming unstuck, 'cause you're carrying way too much
C
Hearts covered in dust
F
Came home you were different, please don't be so distant
[Pré-Refrão]

Am
I?would?take your pain,?so please just?ask me for help
