

# Casting Crowns - Nobody

Tom: **Ab**

Why You ever chose me **Fm**  
 Has always been a mystery **Ab**  
 All my life I've been told I belong **Fm**  
 At the end of the line **Db** **Ab**  
 With all the other Not-Quites **Fm**  
 With all the Never-Get-It-Rights **Ab**  
 But it turns out we're the ones **Fm**  
 You've been looking for all this time **Db** **Ab**  
 'Cause I'm just a nobody **Fm**  
 Trying to tell everybody **Ab**  
 All about Somebody who saved my soul **Fm**  
 Ever since You rescued me **Ab**  
 You gave my heart a song to sing **Db** **Ab**  
 I'm living for the world to see **Eb** **Fm**  
 Nobody but Jesus **Db** **Ab**  
 I'm living for the world to see **Db** **Ab**  
 Nobody but Jesus **Db** **Ab**  
 Moses had stage fright **Fm**  
 And David brought a rock to a sword fight **Ab**  
 You picked 12 outsiders nobody would've chosen **Fm**  
 And You changed the world **Db** **Ab**  
 Well, the moral of the story is **Fm**  
 Everybody's got a purpose **Ab**  
 So when I hear that devil start talking to me, saying **Fm**  
 Who do you think you are? **Db** **Ab**  
 I say  
 I'm just a nobody **Fm**  
**Ab**

Trying to tell everybody **Fm** **Ab**  
 All about Somebody who saved my soul **Fm**  
 Ever since You rescued me **Ab**  
 You gave my heart a song to sing **Db** **Ab**  
 I'm living for the world to see **Eb** **Fm**  
 Nobody but Jesus **Db** **Ab**  
 I'm living for the world to see **Eb** **Ab**  
 Nobody but Jesus **Db**  
 So let me go down down down in history **Ab** **Eb**  
 As another blood-bought faithful member of the family **Fm** **Bb**  
 And if they all forget my name, well, that's fine with me **Db** **Ab**  
 I'm living for the world to see **Eb** **Ab**  
 Nobody but Jesus **Db**  
 So let me go down down down in history **Ab** **Eb**  
 As another blood-bought faithful member of the family **Fm** **Bb**  
 And if they all forget my name, well, that's fine with me **Db** **Ab**  
 I'm living for the world to see **Eb** **Ab**  
 Nobody but Jesus **Db**  
 'Cause I'm just a nobody **Fm**  
 Trying to tell everybody **Ab**  
 All about Somebody who saved my soul **Fm** **Ab**  
 Ever since You rescued me **Fm**  
 You gave my heart a song to sing **Ab**  
 I'm living for the world to see **Db** **Ab**  
 Nobody but Jesus **Eb** **Fm**  
 I'm living for the world to see **Db** **Ab**  
 Nobody but Jesus **Eb** **Fm**  
 I'm living for the world to see **Db** **Ab**  
 Nobody but Jesus **Eb** **Ab**
