

Casting Crowns - Spirit Wind

Tom: G

Ezekiel stared down into the valley

Filled with dry bones baking in the sun

Remains that used to be a mighty army

To him, it looked like their fighting days were done

VERSE 2:

But driven by a calling on his life

He spoke God's words, the bones began to shake

He stared wide-eyed as the flesh began to form

And as he prophesied to the wind

The soldiers began to wake

And the Lord sent His wind into the valley

And breathed the breath of life into their souls

And raised them again a mighty army

For soon these arisen warriors will battle again

For they have been filled with the Spirit Wind

Woah, woah, woah...

A pastor stands before his congregation

Once a mighty army for the Lord

But now he stares into the lifeless eyes

Believers leading carnal lives

He wonders what they're fighting for

VERSE 4:

But driven by a calling on his life

He spoke God's word like he'd done a hundred times before

But this time he comes broken and weeping

With tears of a broken heart

And he cries out to the Lord

Chorus
BRIDGE:

Holy Spirit, breathe on me

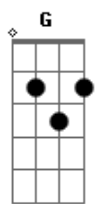

Breathe Your life in me
