

Casting Crowns - Stained Glass Masquerade

Intro: G2 D2 Is there anyone that fails Is there anyone who's been there Is there anyone that falls Are there any hands to raise am I the only one in church today feelin' so small am I the only one who's traded in the altar for a stage Cause when I take a look around The performance is convincing Everybody seems so strong We know every line by heart I know they'll soon discover Only when no one is watching Em7 That I don't belong Can we really fall apart like everything's okay So I tuck it all away, But would it set me free If I dared to let you see

If I make them all believe it, maybe I'll believe it too The truth behind the person That you imagine me to be G7M So with a painted grin, I play the part again Would your arms be open Or would you walk away So everyone will see me the way that I see them Would the love of Jesus Be enough to make you stay Are we happy plastic people Under shiny plastic steeples With walls around our weakness And smiles to hide our pain But if the invitation's open To every heart that has been broken Maybe then we close the curtain
