

# Casting Crowns - Stained Glass Masquerade

Tom: **D**

Intro: G2 D2 **A** **G**

Is there anyone that fails  
Is there anyone who's been there

**G** Is there anyone that falls **D**  
Are there any hands to raise

am I the only one in church today **A** feelin' so small **Em**  
am I the only one who's traded **G** in the altar for a stage

Cause when I take a look around  
The performance is convincing

**D** Everybody seems so strong  
We know every line by heart

**A** I know they'll soon discover  
Only when no one is watching

**Em** That I don't belong  
Can we really fall apart

**G** So I tuck it all away, like everything's okay **D**  
But would it set me free If I dared to let you see

**A** If I make them all believe it, maybe I'll believe it too **Bm**  
The truth behind the person **G** That you imagine me to be **D**

So with a painted grin, **A** I play the part again **D**  
Would your arms be open **G** Or would you walk away

So everyone will see me **A** the way that I see them **Gb**  
Would the love of Jesus **A** Be enough to make you stay

Chorus

**G** Are we happy plastic people **D**

Under shiny plastic steeples **A**

With walls around our weakness **G**

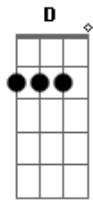

And smiles to hide our pain **D**  
But if the invitation's open **A**

To every heart that has been broken **G**

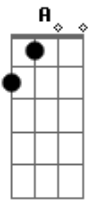

Maybe then we close the curtain

On our stained glass masquerade
