[Primeira Parte]

Bm D  
Oh, you lead us home  
A E  
Oh, oh

Bm D A  
The world's getting darker by the day  
E Bm  
I'm on my knees but don't know what to pray  
D A E  
The broken things that broken people do  
Bm D  
But knowing just how far You came for me  
A E  
Gives me hope for every soul I meet  
Bm D  
There's no one so far gone that You can't reach  
A  
So reach through me  
E A  
Let them see, Lord, let them see

[Refrão]

A Bm  
Your love is the bridge  
Gbm  
You built with a cross  
D  
And Your truth is the light  
A  
That searches for the lost  
Bm

Your grace won't stop reaching  
Gbm  
Your mercy won't let go  
D  
?Cause Your love is the bridge  
Bm D  
And Your truth leads us home  
A E Bm D A E  
Oh, You lead us home, oh

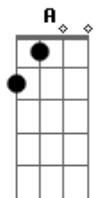

[Segunda Parte]

Bm D A  
You never told the broken they were whole  
E Bm  
You spoke the truth that healed their broken souls  
D A E  
You'd never leave us here to fight alone  
Bm D  
With love we earn the right to speak Your truth  
A E  
It's not just what we say, it's what we do  
Bm D  
I want to be a bridge that leads to You  
A  
So reach through me  
E A  
Let them see, Lord, let them see

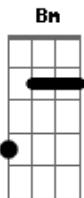

[Refrão]

Gbm D A  
No rescue so relentless  
E Gbm  
No greater love than this  
D A  
Where sin leaves a canyon  
E Gbm  
Your love builds a bridge
