

# Casting Crowns - The Well

Tom: G

Intro: G

Leave it all behind

Leave it all behind

Leave it all behind

Leave it all behind

Verso 1:

I have what you need  
But you keep on searching

I've done all the work  
But you keep on working

When you're running on empty

And you can't find the remedy

Just come to the well.

Verso 2:

You can spend your whole life  
Chasing what's missing

But that empty inside  
It just ain't gonna listen

When nothing can satisfy

And the world leaves you high and dry

Just come to the well

?

Refrão:

And all who thirst will thirst no more

And all who search will find what their souls long for

The world will try, but it can never fill

So leave it all behind, and come to the well

Verso 3:

So bring me your heart  
No matter how broken

Just come as you are  
When your last prayer is spoken

Just rest in my arms a while

You'll feel the change my child

When you come to the well

Refrão:

And all who thirst will thirst no more

And all who search will find what their souls long for

The world will try, but it can never fill

So leave it all behind, and come to the well

Yeah

Leave it all behind

The world will try, but it can never fill

So leave it all behind

Verso 4:

And now that you're full  
Of love beyond measure

Your joy's gonna flow  
Like a stream in the desert

Soon all the world will see

Living water is found in me

'Cause you've come to the well

Refrão:

And all who thirst will thirst no more

And all who search will find what their souls long for

The world will try, but it can never fill

So leave it all behind, and come to the well

So leave it all behind, and come to the well
