

Casting Crowns - This Is Now

tom:
Intro: ^AG ^DD ^{Em7}Em7 ^{A7}A7

Standing at the water's ^Gedge
I dropped my dreams when I dropped my ^Gnets
No hesitation no ^{Em7}regrets
I followed you but that was then and this ^Gis now

You washed my feet and you changed my ^Gname
I swore I'd never be the ^Gsame
But just like the tides I guess people ^{Em7}change
'Cause that was then and this ^{A7}is now

I wish I could go back but I don't know ^Dhow
I remember when I stood my ^{Em7}ground
I swore I'd never let you ^Cdown
I want to be that man ^{A7}again
But that was then and this ^Gis now

I watched the blind man lift his ^Ghead
And look his savor in the ^Geyes
I heard a dead man take a ^{Em7}breath
Dropped to my knees as I watched him ^{A7}rise

And I felt the sea beneath my ^Gfeet
As I stepped out on the angry ^Gwaves
But you saw the storm raging within ^{Em7}

You reached out and calmed me then but this ^{A7}is now ^G

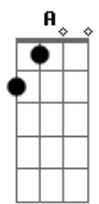

I wish I could go back but I don't know ^Dhow
I remember when I stood my ^{Em7}ground
I swore I'd never let you ^Cdown
I want to be that man ^{A7}again
But that was then and this ^{Cadd9}is now

Just when I thought my sin had closed the ^Cdoor ^{Em}
I see my savor standing on the ^Cshore ^{Em}
With arms wide open ^{Cadd9}
Just like the first time you called my ^Dname ^{A7}
You said that was then and this ^Cis now ^G

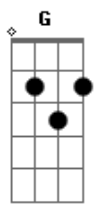

My child I bore your ^Gcross
I wore your ^Dcrown
When you couldn't come to me my love ^{Em7}came down
So take my hand I'll lead you out ^C
'Cause that was then and this ^{A7}is now ^G

My child I bore your ^Gcross
I wore your ^Dcrown
When you couldn't come to me my love ^{Em7}came down
So take my hand I'll lead you out ^C
You'll never be that man ^{Em7}again
'Cause that was then and this ^{A7}is now ^G
