

# Casuarina - Jornal da Morte

Tom: Eb  
Intro: Cm Fm

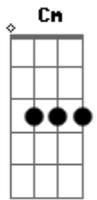

Vejam só este jornal, é o maior hospital,  
Porta-voz do bang-bang, e da policia central  
Treslocada, semi-nua, jogou-se do oitavo andar, porque o

Noivo não comprava maconha pra ela fumar.  
Um escândalo amoroso com os retratos do casal,  
Um bicheiro assassinado em decúbito dorsal,  
Cada página é um tiro, um homem caiu no mangue,  
Só falta alguém espremer o jornal pra sair  
Sangue, sangue, sangue....
