 What comes is better than what came before
 And youd better come come, come come to me
 Better come come, come come to me

Better run, run run, run run to me
 Better come

Oh I do believe
 In all the things you say
 What comes is better that what came before

And youd better run run, run run to me
 Better run, run run, run run to me
 Better come, come come, come come to me
 Youd better run
