

Cat Power - Nude as the news

Tom: **G**

(E,D,C,**B**) (esses acordes a música inteira)
 I still have a flame gun
 For the cute cute cute ones

And I saw your hand
 With a loose grip
 On a tight ship

I still have a flame gun
 For the cute ones
 To burn out all your tricks
 And I saw your hand
 With a loose grip
 On a very tight ship

And I know
 That in the cold light
 There\'s a very big man
 There\'s a very big man
 Leading us into
 Temptation

Jackson, Jesse, I\'ve got a son in me
 Jackson, Jesse, I\'ve got a son in me

And he\'s related to you
 He\'s related to you
 He is waiting to meet you

He\'s related to you
 He\'s related to you
 He is dying to meet you

Backhand, role reversal
 Where is someone
 Backhand, reversable roles
 I know there\'s someone

I still have a flame gun
 For the cute ones
 To burn out all your tricks
 And I saw your hand
 With a loose grip
 On such a tight ship

And I know that in the cold light
 Is a very big man
 Leading us into
 Temptation

Jackson, Jesse, I\'ve got a son in me
 Jackson, Jesse, I\'ve got the son in me

And he\'s related to you
 He\'s related to you
 He is waiting to meet you

He\'s related to you
 He\'s related to you
 He is dying to meet you

He\'s related to you, he\'s related to you
 He\'s related to you, he\'s nude as the news

Nude as the news, nude as the news, nude as the news
 All over, all over, all over, all over, all over, all over,
 all
 over you

Acordes
