

## **Cat Power - Still In Love**

```
Tom: C

G C G C

Today I passed you on the street
G C G C

And my heart fell at your feet
G C

I can't help it
G C G C

If I am still in love with you

G C

Someone else stood by your side
G C

She looked so satisfied
G C

I can't help it
G C

A picture from the past came slowly stealing
```

## As I brushed your arm, I was so close to you G G C And suddenly I got that old-time feeling G C I can't help it G C If I am still in love with you G C It's hard to know another's lips kiss you G And hold you just the way I used to do G C Oh heaven only knows how much I miss you G I can't help it G C If I am still in love with you
