Cat Power - The Greatest

```
Tom: C
Intro: C  Am  Em  Em

C        Am            Em
Once I wanted to be the greatest
C            Am               Em
No wind of waterfall could stall me
    F              Dm
And then came the rush of the flood
G
Stars of night turned deep to dust

            C
Melt me down
     Am                   Em
Into big black armour
          C        Am
Leave no trace of grace
             Em
Just in your honour
          C
Lower me down
     Am               Em
To culprit south

Make 'em wash a space in town
           F
For the lead
         Dm
And the dregs of my bed
             G
I've been sleepin'
             F
Lower me down
         Dm
Pin me in
              G
```

```
Secure the grounds
                    C       Am      Em
For the later parade

C          Am            Em
Once I wanted to be the greatest
C            Am      Em
Two fists of solid rock
C                Am
With brains that could explain
         Em
Any feeling
               F
Lower me down
           Dm
Pin me in
              G
Secure the grounds
           F
For the lead
           Dm
And the dregs of my bed
             G
I've been sleepin'
                C    Am     Em
For the later parade
