

Cat Power - Wonderwall

Tom: **B**

(All strings tuned down half a step)

The entire song is basically this tab on repeat.

Well I this is my first tab but I think it's not too bad. I really liked this cover and really wanted to know how to play it. It took me a long time to figure out tuning and (way too long). Anyhow feel free to make any corrections you think appropriate and resubmit. ~Guy
