Capo na 4ª casa
(capo 4ª casa)

(intro 4x) Am D

(verse 1)

Well if you're feelin' low; take it slow,
Baby, get your head screwed on.

I know he's left,
But don't be de-pressed;
Baby let your favourite daddy see you through.

(chorus 1)

Oh baby, you'll be out of your mind,
Oh baby, you'll be out of your mind,
Baby you'll be out of your mind.

(verse 2)

You know you're nice,
You're sugar and spice,
And I know what you're going through.

And if you're hot, hot,
And even if you're not;
Baby let your favourite daddy see you through.

(chorus 2)

Bb Eb Eb Eb

Oh baby, you'll be out of your mind,
Oh baby, you'll be out of your mind,
Baby you'll be out of your mind.

(bridge 1)

You were so neat,
Ever so sweet.
And overnight you seemed to change.

Since you kissed,
Your psychia-trist;
Baby, you've never been the sa-a -ame.

(instrumental) Abm Db (5x) Am D

(verse 3)

Well if you're feelin' low; take it slow,
