It's not time to make a change, just relax and take it easy

You're still young that's your fault, there's so much you have to know

Find a girl, settle down, if you want, you can marry

Look at me, I am old, but I'm happy

I was once like you are now, and I know that it's not easy

To be calm when you've found something going on

But take your time, think a lot, why think of everything you've got

For you will still be here tomorrow, but your dreams may not

How can I try to explain? 'cause when I do he turns away again I know I have to go

It's always been the same, same old story

From the moment I could talk I was ordered to listen

Now there's a way, and I know that I have to go away

I know I have to go

It's not time to make a change, just sit down and take it slowly

You're still young, that's your fault, there's so much you have to go through

Find a girl, settle down, if you want you can marry

Look at me, I am old, but I'm happy

All the times that I've cried, keeping all the things I knew inside

It's hard, but it's harder to ignore it

If they were right, I'd agree, but it's them they know, not me

Now there's a way, and I know that I have to go away
