

Cat Stevens - Oh Very Young

Tom: A

Oh very young what will you leave us this time
 You're only dancing on this earth for a short while
 and though your dreams may toss and turn you now
 they will vanish away like your Dad's best jeans demin blue.
 fading up to the sky

and though you want him to last for ever you know he never will.

you know he never will,

and the patches make the Goodbye harder still.

(E A E A)

Oh very young what will you leave us this time
 There'll never be a better chance to change your mind
 and if you want this world to see a better day

will you carry the words of love with you
 will you ride the great white bird into heaven
 and though you want to last for ever you know you never will.

you know you never will,

and the goodbye makes the journey harder still.

(E A A D E D E A D E)

will you carry the word of love with you
 will you ride

Oh A7 D B E A Bm E A E A E A

Oh very young what will you leave us this time
 You're only dancing on this earth for a short while
 Oh very young what will you leave us this time
