

# Cate Canning - Cant Wait To Be Pretty

tom:  
 Capotraste na 5ª casa  
 I never liked pool parties  
 Or underwater scenes  
 And I hate when I like someone  
 I'm scared they won't like me  
 And I never liked my hair color  
 I always dyed it blonde  
 Avoided every mirror  
 How did I get it so wrong and  
 I expect the worst from everyone  
 Cause I don't think I'm what they want  
 But maybe in a couple months  
 Oh, I can't wait to be pretty  
 Oh, the things that I'll do  
 I'll kiss pretty people  
 And live out of the blue  
 I'll dance with the lights on  
 In a crowded room  
 When I'm pretty  
 Oh, the things I'll do  
 And I know it's a mindset  
 That I need to learn  
 Wish that I could just wake up  
 And not be insecure anymore  
 Cause if my friends were to think  
 The things I think 'bout my body

I would tell them they're crazy  
 That they're hot and amazing but  
 I expect the worst from everyone  
 Cause I don't think I'm what they want  
 I know that I should just shut up  
 Oh, I can't wait to be pretty  
 Oh, the things that I'll do  
 I'll kiss pretty people  
 And live out of the blue  
 I'll dance with the lights on  
 In a crowded room  
 When I'm pretty  
 Oh, the things I'll do  
 I'll be happy, so damn pretty  
 I'll know that I'm worthy  
 Dance with the lights on  
 Everyone's watching  
 Yeah I'll be pretty  
 Pretty fantastic  
 Oh, I can't wait to be pretty  
 Oh, the things that I'll do  
 I'll kiss pretty people  
 And live out of the blue  
 I'll dance with the lights on  
 In a crowded room  
 When I'm pretty  
 Oh, the things I'll do
