

Cate - If I Need To

tom:
C

Everyone C from my hometown's married now Am

And if they're not, they're just waiting F

For a chance to settle down G

C Wyatt still sells weed

From his parents' basement Am

But the high is not as good F

Now that our lives are complicated G

Am And I wish I could be happy

F Playing safe and playing nice

C G I wish I could be happy with what I know

C Am Cause I don't feel at home

F But I want to

G I really want to

C Am I don't feel at home

F But I don't need to

G I just need to

Am Live a little, make a mess G

Am F Know it's fine to be a wreck

Am G C And if I need to, come back home

Am When I was five I had a thing for danger

F Thought that when I grew up

G I'd be a sick-ass power-ranger

C Am I'm still young but now I'm scared of failing

F Tell me when did we get jaded

G And stop thinking we could be famous

C Am 'Cause I don't feel at home

F But I want to

G I really want to

C Am I don't feel at home

F But I don't need to

G I just need to

Am G Live a little, make a mess

Am F Know it's fine to be a wreck

Am G C And if I need to, come back home

Am C I refuse to be complacent

F I don't wanna go through the ages

Am C Wishing I was someone else

G Someone who is brave and chainless

C Am 'Cause I don't feel at home

F But I don't want to

G I don't want to

C Am I don't feel at home

F But I don't need to

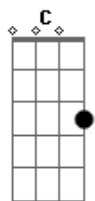

G I just need to

Am G Live a little, make a mess

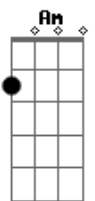

Am F Know it's fine to be a wreck

Am G C And if I need to, come back home
