

Catedral - Don't Go Away

Tom: C

(intro 2x)

|----| Toca isso só na segunda vez
Abafado

(verso 1)

A cold and frosty morning there's not a lot to say
About the things caught in my mind
As the day was dawning my plain flew away
With all the things caught in my mind

ponte)
(riff 1)

And I don't wanna be there when you're coming down
And I don't wanna be there when you hit the ground

(refrão)

So don't go away, say what you say
But say that you'll stay, forever and a day
In the time of my life, cause I need more time
Yes I need more time just to make things right

(solo)

(verso 2)

Damn my situation and the games I have to play

With all the things caught in my mind
Damn my education I can't find the words to say
About the things caught in my mind

(bridge)

And I don't wanna be there when you're coming down
And I don't wanna be there when you hit the ground

(refrão)

So don't go away, say what you say
But say that you'll stay, forever and a day
In the time of my life cause I need more time
Yes I need more time just to make things right

Me and you what's going on

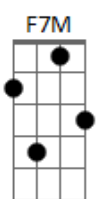

(solo 1)

All we seem to know is how to show the feelings that are wrong

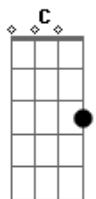

(solo 2)
(refrão 2x)

So don't go away, say what you say
But say that you'll stay, forever and a day
In the time of my life cause I need more time
Yes I need more time just to make things right
