

Catfish And The Bottlemen - Kathleen

Tom: D

Em D
You're simpatico

Bm A
And of all the lift homes and all the mixed feelings

Em D
You're cuts above

Bm A
And you don't own worries or a chest full of heartache

Em D
Yes, I know

Bm A
That I'll never work out exactly how you're thinking

Em D Bm A
But let me know, when I'm needed home

G D A
And I'd come

Bm A G D A
You can leather me with your lips

Bm
I've gotta give it to you

G A
You give me problems

Bm G A
When you are not in the mood

Bm
I've gotta give it to you

G A
You give me problems

Bm G A
And made me give into you

Bm G A
Our dealer hates me you know

Bm G A
He used to see her but she sold

Bm G A
Him off on down the river

Bm G A

Em D
It's impractical

Bm A
To go out and catch a death with a dress fit for the summer

Em D
So you don't

Bm A
Instead you call me up with a head full of filth

Em D
Yes, I know

Bm A
I'll never acquiesce anything you're thinking

Em D Bm A
But let me know, when I'm needed home

G D A
And I'd come

Bm A G D A
You can leather me with your lips

Bm
I've gotta give it to you

G A
You give me problems

Bm G A
When you are not in the mood

Bm
I've gotta give it to you

G A
You give me problems

Bm G A
And made me give into you

Bm G A
Our dealer hates me you know

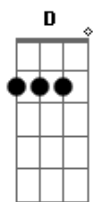

Bm G A
He used to see her but she sold

Bm G A
Him off on down the river

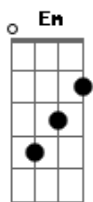

(Bm G A)

D Bm A (4x)
