Larry, call a load of smoke in

I wanna lose a couple days **Em**

We've probably never struggled coping but

I never want to

Promise again that I would call her

Forget the time 'cause I'm seven hours behind **Em**

It's probably good I didn't call, though

But I always want to **C**

And I'd beg you **Em**

**D**  
But you know I'm never home **C**

And I love you **Em** but I need another year alone **D C**

And I've tried to **Em**

Ignore it every time you phone **D C**
