

# Catfish And The Bottlemen - Soundcheck

Tom: **D**

**D** **Bm** **D**  
Maybe i don't act the way i used to  
**D** **Bm** **D**  
Because i don't feel the same about you  
**D** **G** **D**  
In fact that's a lie i want you

**D**  
I raced through soundcheck  
**A** **D**  
Just to meet you on your fag break  
**D**  
And you convinced me  
**A** **D** **G** **D**  
To put life aside and want you

**G**  
If only for the sake of it i could chill you out  
**Bm**  
And drive us through the night to your sisters  
**G**  
You can fall asleep with my jacket as a cover  
**Bm** **Dbm** **D** **E**  
And wake up just to join me to smoke

**D** **G** **D**  
I wanted everything at once  
**D** **G** **D**  
Till you blew me out my mind  
**G** **Am** **D** **Bm** **A**  
Now i don't need nothing

**D** **D**  
Maybe i don't act the way i used to  
**D** **Bm** **D**  
Because i don't feel the same about you  
**D** **G** **D**

**D** **Bm** **A**  
We'll be talking about your background  
**G**  
How it never left you much  
**Bm**  
Cause you grew up in a small town  
**A** **Em**  
You'll appreciate it more  
**Bm** **A**  
When you're done figuring your life out  
**G**  
And everything's fine

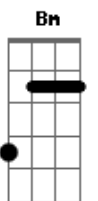

( **Bm** **A** **G** )

**D**  
I raced through soundcheck
