Catfish And The Bottlemen - Twice

```
Tom: C
Intro: C  C  Em  F
         C  C  Em  F

C
Maybe I don't mind
C
Just getting high in mine
F
We're shouting over music
C
With a friend who's like a brother
Am
Cause if I get time
G
I just regret most shit

         C         Em          Am          F
From every hangover my head feels
         C         Em          Am          F
To every ex I didn't treat right
         C         Em          Am          F
To every Monday I call in sick
         C         Em          Am          F
To every argument I let slide

C
Christ
Em                           F
I ain't ever going back to thinking straight
C
Cause twice, twice it brought me down
Em              F
But it's the last time

C
Maybe I'll grow tired
C
Of you bitching all the time
F
Cause when you love the way you?re living
C
It's hard to fret about much
Am
Cause if I get time
G
I just regret most of it

         C         Em          Am          F
From every hangover my head feels
         C         Em          Am          F
To every ex I didn't treat right
         C         Em          Am          F
To every Monday I call in sick
         C         Em          Am          F
To every argument I let slide
```
