

# Católicas - E Todos Repartiam o Pão

tom:  
E

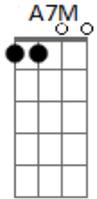

E todos repartiam o pão  
E não havia necessitados entre eles

1. e todos eram um coração, uma só vida  
Ninguém dizia seus os bens que possuía

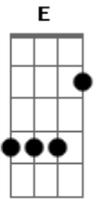

Eles tomavam o alimento com alegria  
E cativavam do seu povo a simpatia

2. nossos irmãos repartiam os seus bens  
Fraternalmente, tinham tudo em comum  
E era grande a alegria e união  
No dia a dia e ao partir o pão
